February 2019

To: Parents / Guardians of Year 7, 8 and 9 pupils

Dear Parent / Guardian

National Reading and Numeracy Tests

During the week beginning April 29, 2019 every pupil in years 7 – 9 throughout Wales will be taking national reading tests [in Welsh and English] and two national numeracy tests [procedural [online] and reasoning].

The reading tests will last for an hour and the numeracy tests for half an hour with the reasoning test taking place in their lessons during that week.

This year, for the first time, the numeracy procedural test will be conducted online and they will be held in school during the half term leading up to Easter. This test is personal to each pupil and therefore wont have to be conducted at the same time. The pupils will be given plenty of notice as to when the test will be conducted

At Ysgol Uwchradd Bodedern the tests will be held on the following days:

It's very important that your child is present for every test and bring the relevant equipment e.g. black biro, pencil, eraser, protractor, compass, and a ruler.

We will be reporting to you on your child's performance in the tests at the end of the term.

Yours sincerely,

Assistant Headteacher
